Market Street Canopy Project - Benefits

- ✓ Canopies lock stair access at street level
- ✓ Canopies protect new escalator equipment and satisfy state code requirement to build canopy prior to new escalator installation
- ✓ Canopies protect employees who open and close station
- ✓ Canopies reduce station maintenance costs
- ✓ Canopies provide additional light on Market Street
- ✓ Canopies assist with wayfinding on Market Street
- ✓ Real-time screens at front and rear of canopy providing train schedules
- ✓ Multiple security cameras on every canopy
